

# Wickham Parish Council News

September 2003

## Winchester District Local Plan Review 2003

The Local Plan is Winchester City Council's key planning document and is used for all planning decisions within the District. This review covers the period up to 2011. If anyone would like to view the documents please contact the Clerk.

## Wickham Parish Appraisal

The results from the questionnaires are currently being worked on, the data analysis is taking longer than expected, mainly as a result of all the comments made by residents for certain sections of the questionnaire. We are very keen to ensure these are fully documented.

## Results of the Census 2001

These are now available on the following website: [www.neighbourhood.statistics.gov.uk](http://www.neighbourhood.statistics.gov.uk) The site provides interesting statistics for Wickham comparing it with the rest of Winchester District and also with the whole of England and Wales.

## Pegham Coppice Industrial Estate

The first applications for this site were refused but have now been resubmitted, the Parish Council will continue to object to the proposals for a recycling centre on this estate, the proposals could involve 150 lorry movements a day along Fontley Road. The Parish Council considers the road is unsuitable for such a high volume of traffic and it's effects would be unacceptable for residents.

## Broadband for Wickham

Broadband is now available for Wickham, some households have received promotional leaflets, if anyone would like advice on applying please contact the Clerk.

## New Youth Clubs for Wickham

The Community Centre now has a room that has been adapted and fitted out for the use of the new youth clubs.  
Senior Youth Club:  
(14-19 years) Mondays from 7-9.30pm,  
Junior Youth Club:  
(9-13years)  
Wednesdays 6.30-8.30pm.

## Website

Minutes of all meetings are posted on the Parish notice boards and website and are also available on request from the Clerk.
