

Wickham Parish Council News

December 2004

Affordable housing for local people.

The planning application for 12 houses in Mill Lane has been approved by Winchester City Council despite objections to the proposed access through Dickson Park by the Parish Council and District Councillors.

Work will start to prepare the site in November, major construction will probably start in the New Year with completion during late summer 2005.

Access for construction vehicles will be via Mill Lane; eventual access to the houses will be through Dickson Park.

The Parish Council is compiling a list of potential applicants; please contact the Clerk if interested.
