Wickham History

The Parish Council very much regrets the recent death of Stan Woodford.

His presence around the village will be missed.

Stan very generously left his collection of photos to the Parish Council.

We hope to be able to display some of the pictures on our website.

Wickham History Society has also kindly offered to help catalogue and store some of the collection. The remainder will be kept at Hampshire Records Office in Winchester,

Council Tax for 2004/5

The budget for the Parish Council for 2004/5 will be £63,825.

The cost of our work for a Band D house will be around £45 for the year, this is about £3 less than last year.

There is a separate magazine article detailing how the Parish Council intends spending the money.
