Bus stop in The Square

An order has been placed to refurbish the bus shelter, we have been fortunate to secure a grant for £1000 towards the work from Hampshire County Council which represents 50% of the total cost.

There have been complaints that the seat next to the shelter is excessively uncomfortable. The missing slat has now been replaced. If you think it is still uncomfortable contact the Clerk !

Removal of unnecessary signs in the village.

The Parish Council has requested that unnecessary developers yellow signs are removed from signposts around the village. If there are any other signs you consider should be removed let us know.

Review of speed limits

As reported last month there are plans for a 40mph speed limit for Titchfield Lane and Fontley Road.

Speed limits on A32 / School Road are due to be reviewed in the near future.

The Parish Council has also asked for the 30mph speed limit in Mill Lane to be moved further north as the new pedestrian access from Gwynn Way to the community centre is proving popular with young people.

New Play Equipment

The Parish Council is planning to replace ageing play equipment on the recreation ground and to provide additional new equipment.

A new play area for The Circle will also be completed this year.

Plans for teenage equipment are also being made, the location has yet to be agreed but it is hoped to site it near the skatepark at the Community Centre.
