

Wickham Parish Council News

June 2008

Proposals for development of the Wickham Laboratories site

The Planning Committee has objected to the initial proposals for development on this site as the applicant has failed to consult with the community prior to submitting the application.

Winchester City Council has adopted a Statement of Community Involvement that requires applicants to carry out such consultation and the Parish Council is very keen that WCC now adheres to its policies.

The Statement of Community Involvement should allow local people to have an input into new development schemes at a very early stage.

New Scout Headquarters

The Parish Council has secured planning permission for a replacement community building on the recreation ground, discussions are taking place with the Scout Group to secure a new headquarters as quickly as possible.

Wickham Fair - make your views known.

If you have any concerns with the arrangements for Wickham Fair this year please contact the Parish Council.

Wickham Water Meadows 10th AGM 12th May

Many thanks are due to Jenny Mallett who retired as Chairman of the Water Meadows Trust at this year's AGM.

Jenny has overseen many successful projects as the Meadows have developed over the last decade; Jenny has kindly offered to continue in an advisory role when needed which is very much appreciated!

ADOPT A PAVEMENT ROLL OF HONOUR

2008

Thank you to

MORGAN O'CONNELL
