Emergency Planning

The Parish Council is looking at preparing an emergency plan to deal with events such as the 'snow evening' and the following cold weather to ensure our residents and unexpected visitors are adequately cared for in the event of an emergency. Please contact the Council if you would like to be involved with the planning process.

A new doctors' surgery for Wickham

The planning application for the new surgery has been withdrawn for amendments. A revised application is expected shortly.

Could you adopt a pavement?

Lots of residents already help keep the village and Water Meadows clear of litter, their help is much appreciated!

Thanks to our newest group in Titchfield Lane who collected 15 bags during a weekend clear up.

Litter pickers and high visibility jackets are available to anyone willing to adopt a pavement!

Housing for local people

Do you have an income or joint income of less than £60,000? If so you can register with Winchester City Council for affordable housing.

At present the WCC housing register shows a very low demand for shared equity or 'rent to buy' properties in Wickham.

If you are interested in this type of property or know someone who might be, please register with Winchester City Council and also let the Parish Council know.
