Annual Parish Assembly

Thank you to everyone who helped and took part in the Annual Parish Assembly on 28th April, it was a great evening. A full report will be made in the next edition of the magazine.

Church Crossroads

The Parish Council has carried out some clearing work at the Church crossroads to remove some trees that had become unmanageable and also to open up the space to create a new village green where residents will be able to sit and view the church.

New planting and seating are being planned to enhance the area further.

The Brian Sharp Memorial Cup for Best Garden

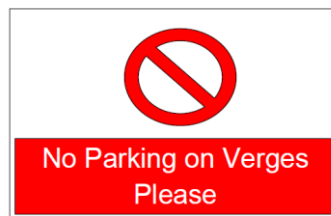

Competition open to all residents of Wickham and Knowle to find the best garden.

Entry forms available to download from the Parish Council website or email the Clerk.

Closing date 28th May

A plea from the Chairman

Complaints about residents parking on verges are increasing. This does cause damage to these important green spaces in the village.

Please avoid parking on verges.

Skatepark extension

Wickham Community Association has very kindly agreed in principle to allow the skatepark to be extended. The Parish Council has worked with young people to design an exciting and challenging layout and to secure a grant of £60,000 to pay for the project.
