

Wickham Parish Council News

June 2011

Land adjoining the recreation ground

Have you visited the large meadow adjoining the recreation ground? The Parish Council has been unable to secure permission to use the land for a cemetery and it is now being managed for wildlife.

Southern Marsh Orchid

Paths have been cut to provide an interesting walk around areas of grassland and young trees. It is well worth a wander.

Ideas for a name for the land would be welcome.

Bridge Street Crossroads

Work will be starting shortly to build new steps onto the old railway line and to enhance the site.

The project involves removing the old steps so your patience would be appreciated whilst the steps are out of action.

Flytipping

Flytipping has been a problem on the land behind Wykeham Field costing Wickham Council Tax payers over a hundred pounds to clear away. If you see flytipping taking

place anywhere in the village please ring 999 with the details.

Winchester City Council offers a collection service for bulky household waste, there is a small cost for this. Ring Serco on 01962 828 402 for a quote.

Wickham Fair

If you experienced any severe difficulties during Wickham Fair please let the Parish Council know so appropriate measures can be put in place for next year.

Glass and litter

There has been a huge increase in litter on the recreation ground and in the Water Meadows, this has involved large numbers of glass bottles some of which are being smashed.

If you witness this behaviour please call 101 and report it.

Volunteers are always needed to help with litter picking, equipment is provided, please contact the Clerk if you would like to help.
