# Document Overview

## Purpose

This document is designed to ensure the Parish Council meets its requirements to\*:

- safeguard public money
- maintain an adequate system of internal control including measures to prevent and detect fraud and corruption and to review its effectiveness
- assure members there are no matters of actual or potential non compliance with laws, regulations and codes of practice which could have a significant financial effect on the ability of the council to conduct its business or on its finances
- carry out an assessment of risks facing the council and demonstrate how these are managed including appropriate internal controls
- maintain an adequate and effective system of internal audit of the council's accounting records and control systems and review their effectiveness.

*\*Reference Governance and Accountability for Local Councils A Practitioner's Guide 2014 (England)*

## How to use this document

This document should be used to understand

- the internal governance controls
- the various types of identified risks together with potential for improvements
- any actions identified to mitigate risks and/or improve internal controls

## Background

Wickham Parish Council is committed to improving, wherever possible, its service to the Parish. As part of this commitment the Council has performed an assessment of its governance procedures identifying areas where it believes improvements can be made and risks mitigated or eliminated

## Scope

This document covers the following:

- Governance
- Financial Controls
- External Audit Governance
