

Wickham Parish Council

# Sports and recreation facilities for Wickham

In 2003 Winchester City Council's Local Plan allocated a 3.5 hectare site in Mill Lane for sports facilities to provide for a shortfall in sports pitches for the growing population.

The agreement for housing to the north of The Circle includes the transfer of this land to the Parish Council on a long lease.

We are beginning the planning process by asking the community what they would like to see provided on both the Fareham Road recreation ground and the new site in Mill Lane.

This is the first of several public consultations over the coming months.

# Sports and recreation facilities for Wickham

## Two sites, lots of opportunities

Issues we need to consider:

Funding availability and financial viability

Evidence of need

Biodiversity

Access

Traffic

Parking

Noise

Lighting

Proximity to South Downs National Park

# Sports and recreation facilities for Wickham

The planning conditions for the Winchester Road / Bewley development currently require the provision of:

**Two adult football pitches**

**Changing rooms**

**Access and parking**

**There is room for much more**

What is needed? What would you like to see? How can we help more people to become more active?
