

## Evidence based data from W&KPC survey of Football Clubs. November 2023

### Participants:

**Wickham Dynamos**  
**Waltham Wolves**  
**Whiteley Wanderers**  
**Atalanta**

### Invited but did not respond:

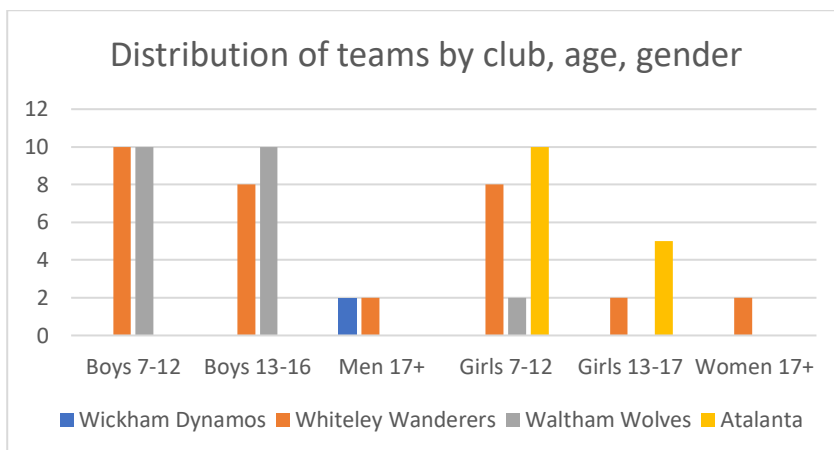

**Bishops Waltham Dynamos**  
**Hawks (Southwick)**

### Methodology

1. A survey was drafted and advice sought from Malc Burt (Wickham Dynamos) both via email and an in-person meeting, and via email with Sarra Parker, Andi Brocks (Waltham Wolves) before being finalised
2. The survey was transferred to an online Google Forms format and tested for functionality by non-participants
3. Each club representative was emailed (16/10/23) by the Chair of the Parish Council Recreation Committee. The email invited the recipient to respond via a link to the survey.
4. Responses were received and clarification questions asked as necessary.
5. The survey closed in early November and the raw data tabulated in the report below.

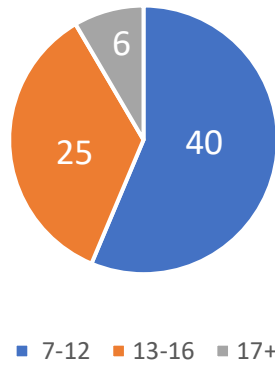

## SECTION ONE: CLUB PROFILE DATA

### Q3 & 4: How many teams do you have by age and gender?

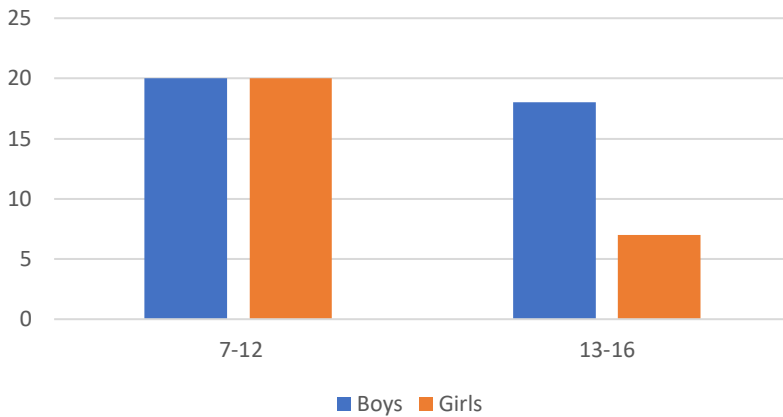

Total number of teams across 4 clubs = 71

Number of teams by age

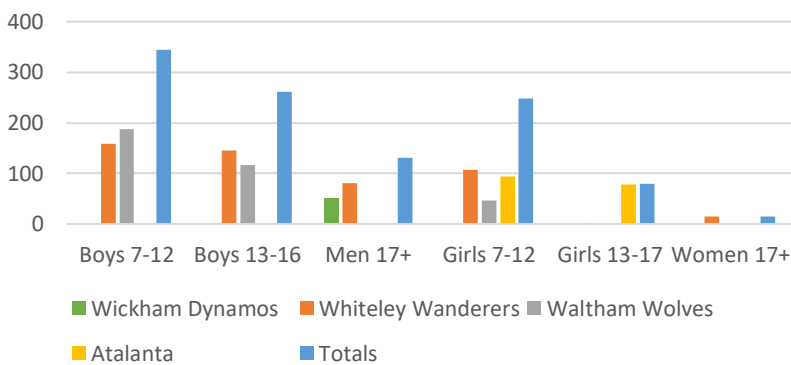

Distribution of youth teams by age

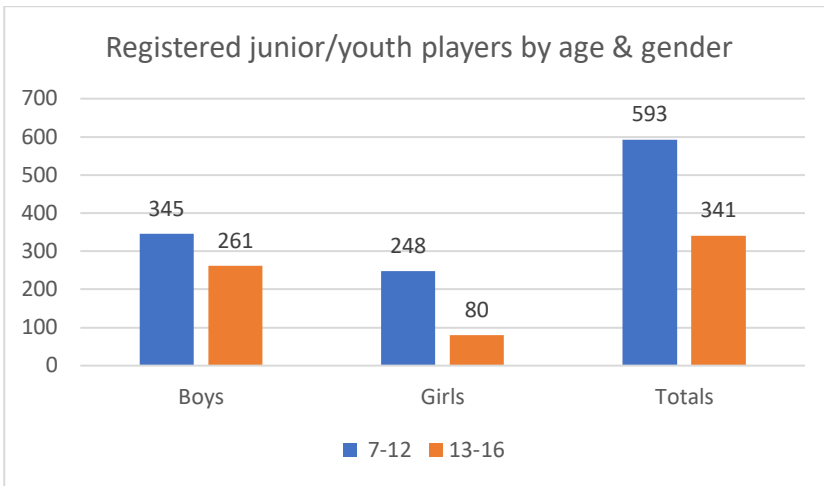

The significant preponderance of youth teams reflects the conclusion of the Winchester Playing Pitch Strategy that the demand for facilities is biased towards junior/youth football

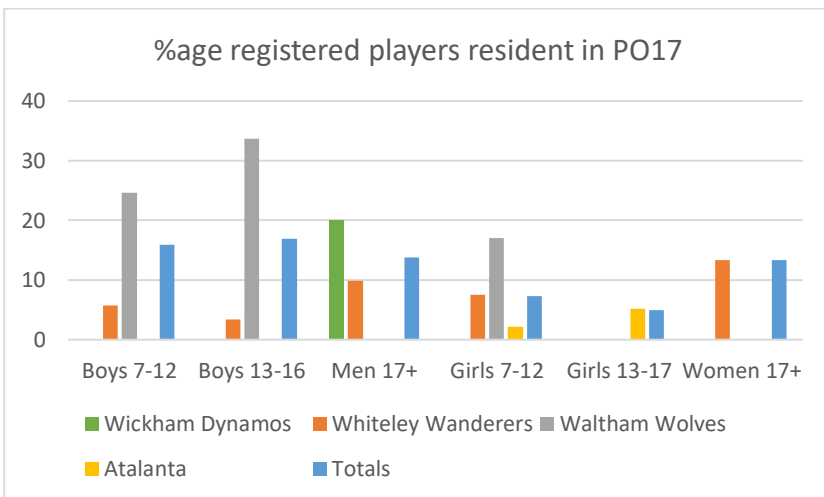

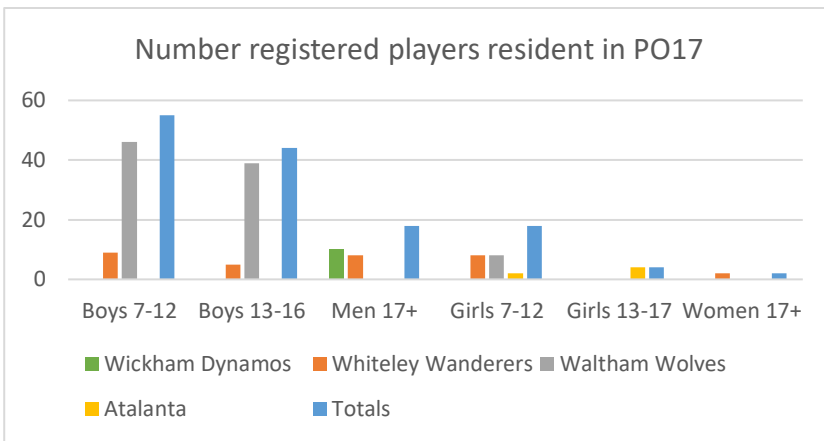

**Qs 5 to 10: number of registered players by age and gender**

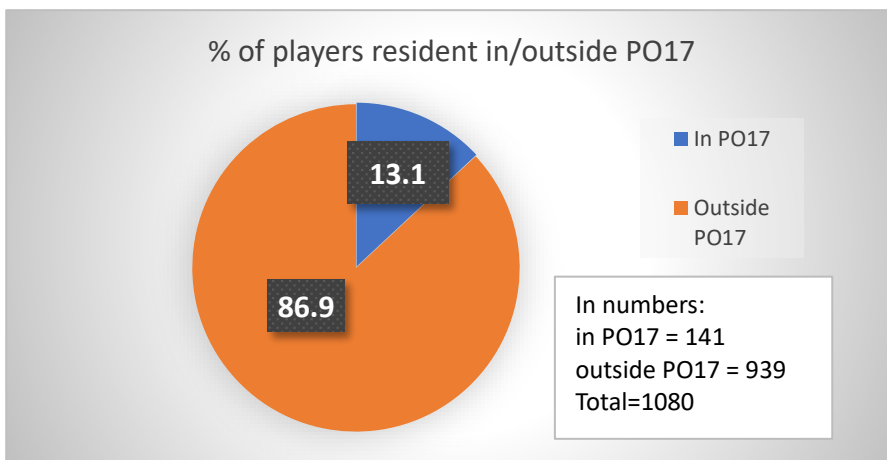

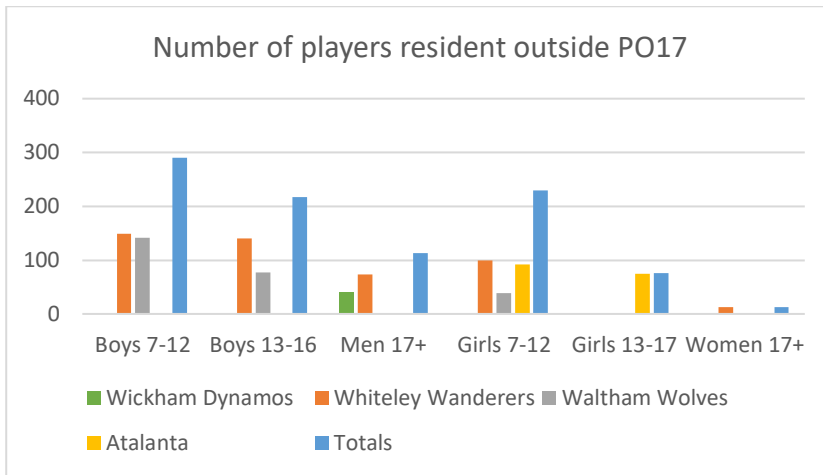

Registered players by club, age, gender

**Qs 11 – 16: number of registered payers resident in PO17**

**Q17: Where do teams train?** (NOTE: each "1" means that venue is used. It does not represent the number of teams from a club that train there, just that the club hires that venue for training)

	Wickham MUGA	Wickham Rec	Knowle	Swanmore	Fareham	Bishops waltham	Whiteley	Soton	Other

**SECTION TWO: RESPONSES RELATIVE TO FORUM OPTION 1 – i.e. A FULL SIZE FLOODLIT 3G PITCH MARKED OUT FOR ADULT AND MULTI-AGE PLAY**

**Q 23: How likely are you to book the 3G pitch for weekday training after 4.00pm?** (NOTE: the figure “1” in any cell represents the answer, not a numerical value in itself)

Ages 13-16	0	0	0	0	1
Ages 17+	0	0	0	0	0

**Q24: If you answered “probably” or “definitely” to Q 23. how many hours per week are you most likely to want to book the 3G pitch for weekday training?** (NOTE: the figure “1” in any cell represents the answer, not a numerical value in itself)

	1	2	3	4	5	5+
<b>Wickham Dynamos</b>

<b>Atalanta</b>						
Ages 7-12	0	0	1	0	0	0
Ages 13-16	0	0	1	0	0	0
<b>Total</b>	0	3	2	0	0	2

**NOTES:**

- From this table it can be seen that the clubs state they are likely to want to book the 3G for:  
 $3 \times 2 \text{ hours} = 6$   
 $2 \times 3 \text{ hours} = 6$   
 $2 \times 5+ \text{ hours} = 10 +$
- The two 5+ estimates given by Whiteley Wanderers were subject to a follow-up question in the hope of obtaining a more precise answer. The response given was: "Hard to drill down on as it depends a lot on day and time slots available to us. The individual teams will have a say. And in response to a question about which venues the Club would drop by using Wickham: "if use 3G at Wickham would drop using Stoneham (too far); Meadowside Whiteley Cages (too small), Swanmore (if can better time slots)"
- If it is assumed that the Whiteley Wanderers predicted hours do not exceed 10, then the total predicted hours likely to be booked would be 22
- The number of available evening hours to be booked at a Mill Lane 3G is assumed to be from 4.00pm until 9.00pm Monday to Friday, i.e. 5 hours per evening. The total bookable hours would therefore be 25 hours per week.
- Actual booked hours would further depend on the degree to which clubs wished to book the same evenings and times.

**Q25: How much per hour would you be willing to pay to hire the 3G pitch for weekday training? (NOTE: the figure "1" in any cell means this is the price that the club would be willing to pay)**

	< £50	£51 -£60	£61 -£70	£71 - £80	£81+
<b>Wickham Dynamos</b>					
Ages 17+	1	0	0	0	0
<b>Whiteley Wanderers</b>

Ages 13-16	0	0	1	0	0
Ages 17+	0	0	0	0	0
<b>Atalanta</b>					
Ages 7-12	0	1	0	0	0
Ages 13-16	0	1	0	0	0

**NOTES:**

- From these data the mean price point appears to be in the region of £55 per hour.
- For comparison as at November 2023 Swanmore charge £75.90 per hour for adults and £60.72 for juniors

**Q26: How likely are you likely to want to hire the pitch for weekend matches? (NOTE: the figure "1" in any cell means this is answer given to the question – i.e. "1" = YES)**

Ages 7-12	0	0	0	0	1
Ages 13-16	0	0	0	0	1

**Q27: How many hours are you likely to want to book the 3G pitch for weekend matches?** (NOTE: the figure "1" in any cell represents the answer, not a numerical value in itself)

Ages 13-16	0	0	0	0	1
Ages 17+	0	1	0	0	0
<b>Waltham Wolves</b>					
Ages 7-12	0	0	1	0	0
Ages 13-16	0	0	1	0	0
Ages 17+	0	0	0	0	0
<b>Atalanta</b>					
Ages 7-12	0	0	1	0	0
Ages 13-16	0	0	1	0	0
<b>Totals</b>	<b>0</b>	<b>2</b>	<b>5</b>	<b>0</b>	<b>1</b>

**NOTES:**

- The figures show that the possible demand would be:  
     2 x 2 - 3 hours  
     5 x 3 – 4 hours  
     1 x 6 + hours
- Assuming the mid-point of each requirement is actually booked and the 6+ answer is limited to 6 the total hours demand is:  
     2 x 2.5 = 5 hours  
     5 x 3.5 = 17.5 hours  
     1 x 6 = 6 hours  
     Total = 28.5 hours
- It is assumed that the pitch would be available for 9 hours (09.00 to 18.00) each weekday, total 18 hours.
- Inasmuch as times of matches are likely to overlap because different teams play in different leagues at different times in reality the number of desired times would not be fulfillable.

**Q28: How much would you be willing to pay per hour to hire the pitch at weekends?** (NOTE: the figure "1" in any cell means this is the price that the club would be willing to pay)

	< £50	£51 -£60	£61 -£70	£71 - £80	£81+

Ages 17+	0	0	0	0	0
<b>Atalanta</b>					
Ages 7-12	0	1	0	0	0
Ages 13-16	0	1	0	0	0

**NOTES:**

- From these data the mean price point appears to be in the region of £64 per hour, a little higher than for weekday training.
- There is clearly a feeling among junior/youth teams that the price for younger teams should be lower than for adults
- For comparison, as at November 2023 Swanmore charge £75.90 per hour for adults and £60.72 for juniors.

**Q 29: if you currently use the MUGA at Wickham Primary School for training or matches, how much is your use of the MUGA likely to change, assuming you can obtain the days/times you would like to use the 3G pitch? **NOTES: this is surprising as it is not the evidence produced by comparison with Swanmore (June and July show 25% of capacity booked during weekdays; no bookings at all at weekends from May to end of August). There is no indication available from the survey data to demonstrate how much use would be made of the 3G pitch by clubs during the close season.**

**Q 31: To what extent is your use of a 3G pitch at Mill Lane likely to be affected by the planned availability of other new 3G pitches in the area? (NOTE: the figure "1" in any cell represents the answer, not a numerical value in itself)**

**NOTES:**

To supplementary questions Whiteley Wanderers made the following statement: “It would depend heavily on whether or not we eventually end up with 3G pitches in Whiteley. The date has moved back so many times we suspect it might never happen. Also we are currently having to restrict our growth as a club due to limited and suitable training venues. More suitable venues would more than likely lead to more teams within the club.”

Enquiries of the planning case officer for Whiteley has confirmed the timing of two new 3G pitches for community use at Whiteley are scheduled to be available for play in September 2027. Her advice has not changed in the last 12 months

Plans for 6 - 9 new 3G pitches in the Fareham Borough are included in its Playing Pitch Strategy.

**Q 32: FREE TEXT observations re SECTION TWO of the survey**

1. Wickham Dynamos: Why is there just a 3G in option one?
2. Whiteley Wanderers: With additional pitches coming online the club could grow
3. Waltham Wolves: We currently pay circa £60 per hour for the full 3G at Swanmore. I am aware that there will be an increase in April hence opting for the higher amount. In our experience when new 3G pitches are built such as in the ongoing scheme in Portsmouth priority is given to the most local team. We do not play in Fareham, it is highly unlikely that we would be successful in securing a pitch there. Depending on where a pitch was located in Winchester we may be successful but priority is likely to be given to those closest. It should be noted that we currently do not have any teams beyond U16. This has not always been the case. I do not yet know whether our two U16 will carry on into next season. We do hope they do, we would like to create a pathway into adult football. I have answered questions based on this season. Eg. we currently have 3 girls teams 2 x U11 and an U12.

**Q39: FREE TEXT observations re SECTION THREE of the survey**

1. Wickham Dynamos: No provision for adult football
2. Whiteley Wanderers: The pitch hire would depend heavily on drainage
3. Waltham Wolves: Whilst we like to train and play friendlies all year round, we appreciate that there are likely to be months where we would be unable to be on the grass due to maintenance. An example would be Swanmore, we stopped playing there at the end of June and have only been able to return in recent weeks.

**Q 42: which pitch type would you prefer for evening training?**

**Q 43: which pitch type would you prefer for weekend matches?**

**Q 44: if you selected 3G or grass as you preference in Qs 42 & 43 and it was not available how likely are you to use the option you did not prefer? (NOTE: the figure "1" in any cell represents the answer, not a numerical value in itself)**

	Not at all	Unlikely	Neutral	Probably	Definitely	N/A
Wickham Dynamos	1	0	0	0	0	0
Whiteley Wanderers	0	0	1	0	0	0
Waltham Wolves	0	0	0	0	1	0
Atalanta	0	0	0	1	0	0

**Q 45: FREE TEXT observations re SECTION FOUR of the survey**

1. Wickham Dynamos: if grass pitches are for juniors it is somewhat confusing
2. Whiteley Wanderers: Depends how playable the grass pitch is year round.
3. Waltham Wolves: Our preference is always grass but without floodlights that is impossible in the winter months. Grass is also vulnerable to inclement weather. Our priority is always to keep going hence the need for 3G pitches. During the winter we try to play all of our matches on 3G to avoid cancellations.

**Q 53: FREE TEXT observations re SECTION FIVE of the survey**

1. Wickham Dynamos: We have no interest in playing at Knowle
2. Waltham Wolves: We currently have no access to 5v5, 7v7, 9v9 at Wickham or Knowle. I have answered these questions with that in mind
